Sharing Smiles

A SEMI ANNUAL PUBLICATION FOR FRIENDS OF MENCAFEP

Number 18

time I had never been out to see my friends or even on a trip out of my town. Now Sudu is 20 years old, from her seventh year until now her only relations are the staff of MENCAFEP, and MENCAFEP's families. In the future too I only pray that Sudu will be in their hands.

As a mother and a wife I have done my duties and carried out my responsibilities to the best of my ability. But my husband and my children never appreciated it. They always said it was my karma, I have sinned in my previous life.

I finally request that MENCAFEP look after my daughter, as they do now and into the future. I wish that children like Sudu, maybe cared and looked after by MENCAFEP.

I think I would be very ungrateful, if I don't wish and thank our donors TERRE DES HOMMES-NETHERLANDS and all you others in Sri Lanka and around the world, who help support children like my own daughter Sudu at MENCAFEP. Thank you every one. Thank you.
